## BOARD OF DIRECTORS

Susie Bishop

Dear Ag- Venture Friends,

Judy Bronson

It's almost that time again. The 21st<sup>th</sup> Annual Highlands County Ag-Venture will be held November 16, 17 and 18<sup>th</sup> at the Highlands County Fairgrounds. We hope that these dates will fit into your schedule because we would love to have your help. Volunteers are a vital part of this program which gives 3<sup>rd</sup> grade students hands-on experience with agriculture.

Barbara Bullard

Saturday, November 9<sup>th</sup> we will begin setting up the fairgrounds for Ag-Venture. This is the day that all of the backgrounds, tables, hay, trees and supplies are moved in and set up in the individual stations. On set-up day, we will need men to help with the heavy lifting, in addition to people to decorate, cover and skirt tables, etc. The more helpers we have the more quickly everything will go. Breakfast and lunch will be provided for all of our hard workers.

Christy Crews

150 volunteers are needed each day of the program, Tuesday, Wednesday and Thursday, from 8 AM-1 PM to help the children and speakers in each of the 14 different educational stations. We would love for you to come and help the children make butter, squeeze their own orange juice, pet an alligator, plant plants, make strawberry milkshakes, as well as lots of other fun activities. Volunteers will also be needed on Thursday afternoon after Ag-Venture is over to help breakdown everything and inventory our supplies.
