Homework Activity

Dear Parents/Caregivers,

Our class is beginning a project that will explore our country and world while learning more about our families. Your child has been asked to interview you to learn more about your family's history and return this form by the following date:

We ask that you provide as much information as possible and as much as you feel comfortable providing. If you do not know some of the exact answers, please make an educated estimate. Also, if the categories listed below don't fit your family, feel free to cross them out and write in new categories.

We will be using this information to make charts and maps. We will also be comparing the lives of our families with the lives of the people who produce our food. Other than checking to ensure the student has completed the assignment, their information will remain confidential. Thank you for your help.
